

# Rockets For Schools in Sheboygan Wisconsin is looking for teams for our 2018 launch.

5 ... 4 ... 3 ... 2 ... 1 ... Launch

## You are invited to join us in 2018

Rockets for Schools is your opportunity to experience the challenge and excitement of building and launching a six foot tall high-powered rocket. The payload your team designs and builds will be rocketed to an altitude of 3,500 feet and recovered for your post flight analysis

Over 5,600 students have already flown rockets with us - we invite you to be one of them!

**OPEN TO ALL STUDENTS 6TH THROUGH 12TH GRADE**

At our Rockets For Schools event, you will:

- » Build and launch a 6 foot rocket
- » Design and fly a rocket payload
- » Learn about rocketry principles
- » Work in Mission Control
- » Recover rockets after splashdown
- » Track & calculate rocket trajectories
- » Talk to industry professionals
- » Listen to a NASA Astronaut
- » Interact with hands-on NASA displays
- » Explore career opportunities in Aerospace fields
- » Have fun while learning

## This is Rocket Science

**Plan to Join Us: Our Next Launch is May 11th & 12th, 2018**
